

## ELEGANT CAKES CRAFTED FROM YOUR IMAGINATION

We have a very simple philosophy at Elaine's; only the best is good enough. As you can see we put much more into our cakes than simply ingredients. A lot of time, trouble and creativity.

- Traditional, contemporary, novelty and wicked chocolate bespoke wedding and celebration cakes, designed and crafted into the most imaginative creations for your celebration by a national award winning "confectioner of the year".
- Choose from a variety of fillings, the traditional fruit, to such fillings as vanilla, carrot and of course wicked chocolate covered using only the finest Belgium chocolate.
- Why not have a tower of mini cup cakes, ideal for weddings or christenings or a Croquenbouch of profiteroles for that "wow" factor?
- Novelty cakes incorporating modelled figures and scanned photos for children's parties, with all their favourite characters.

## About The Play

It's good to meet up with old friends ... or perhaps not!

When Nigel arranges a reunion in the back room of a pub, he is optimistic of a good turnout. Whilst the numbers disappoint him, he soon has his hands full when a motley middle-aged threesome turn up, bringing with them assorted wives, girlfriends, prejudices, and resentments that have simmered for the last twenty-five years. As the evening unfolds, the men are forced to reassess their old alliances and reflect on their lives, as the women are increasingly struck by the futility of the whole exercise!

Comedy and confusion combine in this hilarious but poignant story of 'small people' in a 'big world'.

## About The Author

Peter was born in York in 1950. Now a full-time writer, his earlier career as a Chartered Civil Engineer took him as far afield as the Middle East and eventually led him to become Head of Civil Engineering at a UK university. As well as writing he has a keen interest in music; over a number of years he played drums with various rock bands.

Peter has always had an interest in writing but was a 'late convert' to stage work. His first play was published in 1990. To date he has written nine comedy plays, a psychological thriller and a one act comedy. All of Peter's plays have enjoyed enormous success, particularly the 'Inspector Pratt' trilogy of *Murdered to Death*, *Secondary Cause of Death* and *Death by Fatal Murder*. These plays have currently had eight professional tours / productions in the UK and USA with more planned for 2012. They have also had over 900 amateur productions in the UK and overseas, including USA, South Africa, Australia and New Zealand. Other favourites

are *Out of Focus* and *Third Week in August*, which was recently performed at the world-famous Minack Theatre in Cornwall.

## Thank You!

The production team would like to thank the  
"Bird In Hand"

## Director's Notes

Welcome to our Spring production, The Reunion. Thank you for coming out to support us tonight.

Since joining CP in 2005 I've performed in 10 productions and produced the Winter one last year. During my time here I've learnt from the best, in acting, directing and backstage. I really hope that I do them justice in this; my first directing role. As soon as I read this play, I wanted to direct it. It reminded me of the 'inbetweeners' TV programme. The play has some unusual positioning, lighting and sound. It has been a real challenge to work on.

I would like to thank all of the fantastic cast and also welcome Aidan Kielty to the society. He has fitted in perfectly and is a natural! I would also like to thank the stage team for another fantastic set, Eileen who is the loveliest barmaid in Urmston, April the stage manager, Roger for all his support and encouragement and the very dedicated Tor Coupe. Without their support I could not have done this.

If you enjoy tonight then please recommend the play to your friends!

*Laura*

Formed in Davyhulme in 1949, we're a non-profit making and open society, managed by an elected committee. Our home now is **Davyhulme (Wesley) Methodist Church** which is located in Brook Road, Flixton. We're always on the lookout for new members and you don't need any qualifications or special skills, as training will be given where required and at your own pace.
